

FOR IMMEDIATE RELEASE:

Craftlands Workshoppe Announced – Playable at EGX

Banbury, Oxfordshire – 11th October 2019

We're proud to announce [Craftlands Workshoppe](#), a brand new fantasy management game from Strangefire Studios, launching for PC in the first half of 2020.

Become an alchemist, a blacksmith or a chef as you're handed the role of running Allcraft's Workshoppe in a new fantasy world amongst the clouds. A brand new game set in the Shoppe Keep universe.

- Craft and sell potions, weapons and meals
- Train and hire employees to expand your fantasy Shoppe
- Explore a brand new world amongst the clouds and get to know the locals
- Strangefire Studios' next game takes the Shoppe Keep series in a bold new direction

Craftlands Workshoppe will be playable for the first time at [EGX 2019](#) next week. To go hands on with the game at EGX, please email jamesc@excalibur-games.com to book a meeting – you'll also be able to speak with lead developer Arvydas Žemaitis, and we would be delighted to participate in interviews.

In order to request a press copy of Craftlands Workshoppe, please email us directly at jamesc@excalibur-games.com. Codes will not be sent out until closer to launch, but you're welcome to request a code and we'll put you on the waiting list.

Players can sign up for more news towards the bottom of the [landing page](#).

About the Developer – Strangefire Studios

Headed by Arvydas Žemaitis, this Lithuanian development house is working away on Craftlands Workshope, a new entry into his successful Shoppe Keep franchise.

About Excalibur Games

Excalibur Games is the publishing arm of parent company Contact Sales Ltd, which was founded in 1997. Excalibur Games has moved forward to release its own original products, in addition to widely recognised licensed titles.

Successful releases Jalopy, Tracks, Shoppe Keep 2 and Flashing Lights have propelled Excalibur's digital portfolio forward.

Excalibur has worldwide Microsoft™ Xbox One, Sony™ Playstation 4 and Nintendo™ Switch publisher status. Excalibur will also continue to license high-end simulation franchises such as Euro Truck Simulator and American Truck Simulator, from highly acclaimed developer SCS Software.
