

FOR IMMEDIATE RELEASE:

Tracks - The Train Set Game Leaving Xbox Game Pass, Weather Update and Sale.

Banbury, Oxfordshire – 9th November 2020

Tracks - The Train Set Game is leaving Xbox Game Pass on 14 November 2020 for both Xbox One and Windows 10. To celebrate the game's time on Xbox Game Pass, Tracks is now on sale at 40% off on the Xbox Store until 16 November. For players who fell in love with the title on Xbox Game Pass and want to keep playing after it leaves, now's a great time to purchase.

Tracks - The Train Set Game will also be receiving a new weather update next week. This update will include new sky options for players to customize their worlds even further, a new rain effect and optimised saves for faster load times.

The family-friendly toy train set builder is also making its way to the Nintendo Switch this month. Watch out for more news on that very soon.
